

# UPCOMING EVENTS

## You're invited to attend these free, family drop-in workshops at the St. Lawrence Power Development Visitor Centre

### **Animal Mania** – Saturday, Sept. 16, 10 a.m. to 2 p.m.

Calling all animal enthusiasts! Learn to identify animal tracks and spot critter nests. Become a wildlife detective by exploring and learning about the animals that live in your own backyard.

-----

### **Experimental Science Day** – Saturday, May 27, 10 a.m. to 2 p.m.

Bring out your inner scientist with microscope discovery, and fun water and electricity experiments. With science-related arts and crafts, there is something for everyone to learn and enjoy.

### **Critters and Rivers** – Saturday, June 17, 10 a.m. to 2 p.m.

Explore the river ecosystem, and learn to identify invertebrates and wetland plants. Then, build a wood duck box to help give a duck a new home.

### **Nocturnal Wildlife** – Wednesday, July 5, 6 to 9 p.m.

What happens on the St. Lawrence River when night falls? Learn how to identify and track nocturnal species like bats, owls and moths, and take a nighttime excursion with biologist Dr. Brian Hickey.

### **Amphibians & Reptiles** – Saturday, Aug. 19, 10 a.m. to 2 p.m.

Do you love turtles or frogs? Whether they slither or hop, or are hot or cold blooded, amphibians and reptiles are truly remarkable. Come and learn all about them from guest presenter Matt Ellerbeck, the salamander man.

**Events and activities are appropriate for all ages.**
