**PICKERING UNIT 4 RETURNING TO SERVICE
FOLLOWING MAINTENANCE OUTAGE**

Pickering – Unit 4 is returning to service following a short maintenance outage. Over the next few days, near-site residents may witness larger than normal amounts of steam. Steam releases are part of the normal start-up process and do not pose any threat to employee or public safety, and have no environmental impact.

Pickering Units 6, 7 and 8 continue to operate at or near full power. Units 1 and 5 are currently shut down for a maintenance outage.
