

Environmental Policy

Effective: May 10, 2006

Policy Statement: OPG will strive to continually improve its environmental performance by committing to the following seven requirements:

- Requirements:**
- **Meet or Exceed Legal Requirements:** Meet all legal requirements and OPG's voluntary commitments, with the objective of exceeding those standards where appropriate and feasible.
 - **Advance Environmental Stewardship:** Contribute to environmental protection, pollution prevention and energy and resource use efficiency.
 - **Maintain ISO 14001 System:** Maintain registrations to the International Organization for Standardization (ISO) 14001: 2004 Environmental Management System.
 - **Integrate Environment in Decision-Making:** Integrate environmental factors and stakeholder considerations into our planning, decision-making and business practices.
 - **Engage Employees:** Engage and educate employees to conduct their activities in a manner that respects and protects the environment.
 - **Contribute to Our Communities:** Contribute to and enhance the environmental well-being of the communities in which we operate and the broader public who grant us our license to operate.
 - **Communicate:** Measure and publicly communicate our environmental performance with employees, governments, local communities, contractors and other stakeholders.

This Environmental Policy is an important part of OPG's commitment to Sustainable Development.
