UNDERTAKING J9.5

Undertaking

To identify which of the recommendations made in the R.J. Rudden report have not been adopted by OPG, and why they haven’t been adopted or if they will be adopted, when.

Response

OPG has adopted all of the recommendations made in the R.J. Rudden report, with the exception of the recommendation to implement a standardized template to document time estimation. OPG set out its rationale for not adopting this recommendation in the response to interrogatory L-1-59.
