Subject: Participate in hearing in writing for Pickering Nuclear Generating Station

The Commission will conduct a hearing to consider a request from Ontario Power Generation Inc. to remove a resolution action from the Pickering Nuclear Generating Station's integrated implementation plan (IIP). It will also consider a request to extend the deadlines of two other resolution actions in Pickering's IIP. The three resolution actions are due to be completed by December 31, 2020.

The public is invited to participate by submitting a request to intervene by January 8, 2021.
