Electrifying Education

Earth Week Tree Planting

Sunday April 27

- Darlington Nuclear partnered with Central Lakes Ontario Conservation Authority (CLOCA) to provide a community tree planting
- 500 native Eastern White Cedar seedlings were planted in the Bowmanville Westside Conservation Area
- Since 2000 OPG has worked with partners to plant more than 8 million native trees and shrubs across Ontario.

Courtice Secondary School

- OPG works with community partners to support regional ecosystems and biodiversity through science-based habitat stewardship
- April 5: Site nest box maintenance
- April 26: Earth Week garbage cleanup & Millenium Trail maintenance
- May 21: Pollinator workshop and planting activity

Bring Back the Salmon

- Five-month hands-on educational partnership
- Introduces students, and teachers to the Atlantic Salmon species, their history in Ontario, and the restoration efforts to bring back a healthy and self-sustaining population to Lake Ontario.
- In partnership with Ontario Federation of Anglers and Hunters, Central Lakes Conservation Authority and Valley's 2000

Trail Hike

Release

Look for us this summer!

- Bowmanville Farmers Market (select Friday's June – August)
- Tuesdays on the Trail programs (July & August)
- Orono Fair (Sept. 5-8)
- DNNP Community Swims (select dates July & August)
- Community Power Expo (Sept. 14)
